### **EXAMINER'S COMMENT**

1. An error appeared in the previous Notice Of Allowability as claims 21 and 33 were deleted by the previous examiner's amendment of 15 October 2007. Accordingly the allowed claims should be 11-20, 22-32 and 34-38 instead of 11-38 as indicated on the Notice of Allowability of 10/15/07. Also the previous examiner's amendment did not reflect the change in dependency of claims 22 and claim 24 which were changed as a result of the cancellation of claims 21 and 33. The change in dependency was agreed to by the attorney at the time the previous examiner's amendment however it was not reflected in the examiner's amendment that was sent to applicant. The examiner apologizes for any inconvenience that may have been caused by this error. The examiner's amendment reflecting the change in dependency appears below.

### **SUPPLEMENTAL EXAMINER'S AMENDMENT**

2. A supplemental examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a previous telephone interview with Kevin Holbeche on 15 October 2007.

The application has been amended as follows:

In claim 22, line 1, the phrase "claim 21" has been changed to -- claim 20 --.

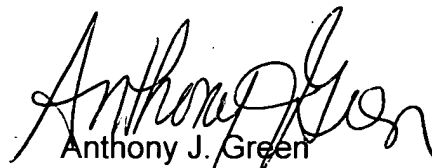

In claim 24, line 1, the phrase "claim 21" has been changed to -- claim 20 --.
